# 2026 Grenfell Modified Tractor Pull Sponsorship Packages

## Why Sponsor the Grenfell Modified Tractor Pull?

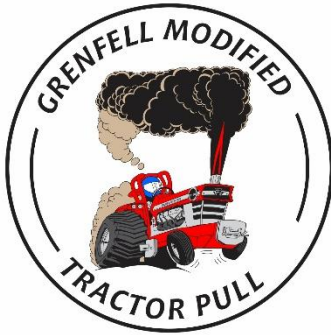

The Grenfell Modified Tractor Pull is a family-friendly regional event backed by strong community support, attracting approximately 2,000 attendees each year. With over 1,000 Facebook followers and a reach extending right across NSW and beyond, sponsors benefit from high local and statewide visibility through radio, print, and social media promotion. Our loyal audience is made up of motorsport fans, farming families, and agricultural enthusiasts, creating meaningful exposure for supporting businesses. The event continues to grow annually, drawing visitors from as far as Western Australia, South Australia, and Queensland, offering sponsors a unique opportunity to align their brand with a rapidly expanding regional event that delivers genuine engagement and wide-reaching promotion. The Grenfell Modified Tractor Pull is proudly supported by our local community and relies on monetary sponsorship to help cover essential costs such as infrastructure, safety, promotion, and event delivery. This support allows us to continue bringing families, competitors, and visitors together for a safe and enjoyable regional event. In-kind sponsorships are welcomed up to Gold level and play an important role in supporting the Grenfell Modified Tractor Pull. We are grateful for contributions that help bring this community event to life. All in-kind support is valued at standard retail rates, with sponsorship benefits allocated accordingly. Each partnership is considered by the organising committee to ensure it aligns with event needs and helps deliver a safe, enjoyable day for competitors, sponsors, and our wider community.
